

# ***CCBUA Scholarship***

The Chautauqua County Baseball Umpires Association is proud to sponsor a yearly Baseball Scholarship awarded to a Senior Baseball Player from Chautauqua County who will continue his education at the next level and who will continue their baseball playing career at the college they've chosen.

The scholarship fund is made possible through the CCBUA's share of profits earned at the Baseball Showcase held each year at Russell Diethrick Park in Jamestown, which they co-sponsor. Other money in the scholarship account has come from donations by individual umpires, fans, and businesses. If you are interested in making a contribution, send your donation to CCBUA, c/o Paul Lombardo, 176 Stowe St., Jamestown, NY 14701. Make checks payable to CCBUA Scholarship.

The Baseball Showcase is run in conjunction with the CCBUA's and the Softball Umpires annual "Strike Out Cancer" week held which was first instituted in 2009.

Past winners of the Scholarship Award are Joseph Tingue of Pine Valley Central School and Dan Burns of Panama Central School, who both went on to further their education and baseball careers at Jamestown Community College. Ironically, both had the opportunity to play in the Baseball Showcase as well.
